

**For the 2008-09 Season the WCHL will continue it's sponsorship plans. These sponsorships were created to help the league and the players afford the cost of playing hockey.**

### How It Works...

You will neatly fill out the form letter you have been sent, if you cannot do it yourself get someone to help you. It is then up to you to go (or get someone to help you) photocopy the letter along with the sponsor list and sponsor form. If you would like digital copies of these to edit and print off from your computer, please email Chris at [chris@thewchl.com](mailto:chris@thewchl.com)

You will then send out these letters (or drop them off personally) to any businesses, friends, family, charity clubs, anyone you think might be willing to be a sponsor of the WCHL.

These sponsorships are optional. If you do not want to do this, you don't have to, but there is no harm in trying.

Little League Baseball and Hockey leagues all over North America survive off of sponsorship plans like these every year. People are willing to donate to good organizations like ours; all you have to do is ask. The more sponsorships we can get, means the more activities we can do together as a league.

The board has made this an easy process for you to complete. A little effort means your season dues, banquet ticket and jersey could be potentially paid for, along with helping out the league and your fellow players.

You are responsible for promoting yourself and the league to these potential sponsors in a proper manner throughout the entire process. They may have questions; it is up to you to answer them professionally, if they have any questions or concerns you cannot answer, please direct them to any of the board members.

If you pay your dues for the 2008-09 Season and later find a sponsor during the summer or fall, you will be reimbursed your dues..

All of these sponsorships are tax deductible.  
All checks should be made out to the "WCHL"

Good Luck!
